Date	Where your child was assessed	Who conducted this assessment	Diagnosis / Recommendations

What services were recommended to you? Service History: How often does your child engage in these services?

- 1 Service provided by: _____ frequency ___ mins every ___
- 2 Service provided by: _____ frequency ___ mins every ___
- 3 Service provided by: _____ frequency ___ mins every ___
- 4 Service provided by: _____ frequency ___ mins every ___
- 5 Service provided by: _____ frequency ___ mins every ___

How is your child responding to these therapies? What outcomes have you observed?

Is your child currently taking medication or require special diet or treatment?

The following questions will take time to complete. We appreciate your patience and taking the time to provide as much information as possible. We appreciate you telling us about your child's CURRENT behaviours at home, in the community and at school. Please provide details to the report submitted and not just write "refer to the report".

Does your child have siblings? If so, can you tell us how your child engages with their siblings? If your child is an only child, do they have playdates? How does your child engage with their peers?

During social settings, for example at park or parties, what will your child be doing?

What would be some situations that will lead to your child being anxious, frustrated or upset?

At Home:

At Community Situations:

Please describe when your child is upset, what would be the behaviours you see? How often would your child get upset over the same thing? How frequent would your child be upset and have a tantrum in a day, across a week?

What are some of your ways to handle your child's anxiety, frustration or tantrumming behaviours?

LANGUAGE AND COMMUNICATION

To give us more information in regards to your child's language and ability and interaction with you, please give examples to your child's language and communication:

Please describe and give examples, the complexity of instructions your child understands.

Please describe and give examples, the variety of communications your child expresses with you.

What is your child's favourite pastime and interests?

How easy or difficult is it to introduce a new interest to your child?

Which chores and responsibilities does your child have at home, and that your child can perform what being instructed or without instructions?

How does your child indicate to you that they are not well or feel discomfort?

How would your child react to medical checkups?

How would your child react to and resolve problem? For example when something is broken, or when he/she got hurt, or when someone said he/she did something naughty or dangerous?

SELF HELP AND INDEPENDENT LIFE SKILLS:

Please state examples where your child is independent, without assistance or verbal reminders.

What is your child's awareness and independence to DANGER, such as kitchen hazard awareness, road crossing, etc?
